

CHAIRMAN OF THE BOARD: CEO COUNCIL OF TAMPA BAY

Ed Ellsasser, CEO of PrimeGroup Insurance, is the 2022 Chairman of the Board of CEO Council of Tampa Bay.

The CEO Council is made up of 225 dynamic business leaders from the Tampa Bay Area that have at least 3 million in revenue and 25 employees. It is an important organization to Ed because of the supportive group that helps to take each other's businesses to the next level, learn from colleagues' mistakes, and focus on strategy for success.

"I am looking forward to leading the group in 2022 as we continue to focus on our red-carpet membership experience for our members. We have a fantastic lineup of speakers set up, great insight sessions scheduled, philanthropic volunteer events, and fun social events planned," said Ed.

If you are looking to join a diverse group of business leaders who are focused on growing their businesses and giving back to the community then the CEO Council is for you!
