Ed Ellsasser, CEO of PrimeGroup Insurance, is a proud Board Member of Westshore Alliance.

The Westshore District is home to more than 4,000 businesses and with over 13.2 million square feet of office space and over 100,000 employees, it's the largest on the west coast of Florida.

"I look forward to the continued growth of the district. There are over \$1 billion worth of projects planned or underway including more office space, apartments, retail, and restaurants," said Ellsasser.
